Dakota Fence

STEEL POST SYSTEM

Get longevity and reliability out of your cedar fence with our steel post system. Designed to withstand high winds and heavy rain, our steel post system will never rot or warp. This allows you to have a fence engineered with the strength of steel and the beauty of natural cedar.

ASK ABOUT OUR FINANCING OPTIONS

Dakota Fence is the area's premier installer of residential fence. From start to finish, you'll appreciate working with the experienced and professional estimators and installers.
